Locanda, a lively casual concept by Buona Terra. Its name taken from the Italian word for “inn”, Locanda charms with a home-like warmth. Traditionally a welcoming place of respite in the countryside of Italy, locandas are where weary travelers are refueled with simple and hearty Italian classics before continuing their journey. With a sense of place and intimacy, these inns are loved for their delivery of generosity and passion characteristic of Italian hospitality.

“Let food be thy medicine and medicine be thy food.”
