

MENU

Locanda, a lively casual concept by Buona Terra. Its name taken from the Italian word for “inn”, Locanda charms with a home-like warmth. Traditionally a welcoming place of respite in the countryside of Italy, locandas are where weary travelers are refueled with simple and hearty Italian classics before continuing their journey. With a sense of place and intimacy, these inns are loved for their delivery of generosity and passion characteristic of Italian hospitality.

“Let food be thy medicine and medicine be thy food.”
Hippocrates
